STANDARD

MENTAL HEALTH FIRST AID

Learn how to provide mental health first aid to friends,
family members, co-workers and other adults.

The Standard Mental Health First Aid course will teach you how to provide initial support to other adults who may be experiencing a mental health problem or mental health crisis until appropriate professional help is received or the crisis resolves, using a practical, evidence based Action Plan.

This course is based on guidelines developed through the expert consensus of people with lived experience of mental health problems and professionals.

Mental health problems covered

- Depression
- Anxiety problems
- Psychosis
- Substance use problems

Mental health crises covered

- Suicidal thoughts and behaviours
- Non-suicidal self-injury
- Panic attacks
- Traumatic events
- Severe psychotic states
- Severe effects from alcohol or other drug use
- Aggressive behaviours.

Note: This course is not a therapy or a support group.

What is the format?

This is a 12-hour course which is usually delivered as either a 2-day training package (6 hours per day), or as 4 separate modules (3 hours each). There is also a blended option, with an online component.

Become an Accredited Mental Health First Aider

Demonstrate your mental health first aid skills by becoming an Accredited Mental Health First Aider. Complete an online assessment after the course to become accredited.

Why attend an MHFA course?

Evaluations consistently show that MHFA training is associated with improved knowledge of mental illnesses, their treatments and appropriate first aid strategies, and confidence in providing first aid to individuals with mental illness. It is also associated with decreased stigma and an increase in help provided.

How do I sign up?

Contact Linda Rowley at linda@lindarowley.com.au or call 0427 760 637

Who can attend this course?

Any adult can attend.
